Sale Purchases:

There is no refund on sale items for 'change of mind' (however we will exchange within reason). We will provide a refund or exchange on an item that is faulty or not as described.

VERY IMPORTANT - Sending Returns:

abi and joseph highly recommends you send any goods you are returning in a postage satchel with a tracking service. You are responsible for the product until it reaches us and are required to keep a record of any tracking/consignment note numbers. abi and joseph will not be held accountable for any package sent by the customer which is lost in transit if it does not have track-and-traceable capabilities.

Return Delivery Costs:

All return shipping costs are to be paid by the customer. In certain circumstances (where items sent by abi and joseph are damaged or faulty or the items sent did not match those items ordered) abi and joseph may cover the cost of the returned items but this must be agreed with abi and joseph and is at managements discretion. Contact abi and joseph if this is the case.
